HETIC is a French multi-disciplinary school in the internet world. It offers a subtle blend of technique, management & design, all linked to the digital domain in order to give rise to multi-skilled profiles.

2012 - 2015

French Bacculaureate
Victor Duruy highschool, Paris

ES Section (Economics & Social Sciences)
Assez Bien Distinction (13,5/20)
European Class

personal statement

Studying at HETIC (High Studies of Information and Communication Technologies), my degree gives me the opportunity to follow a multi-skills training around today's continuously evolving world. I started freelancing on my free-time, which gave me the convenience to acquire new skills on my own and increased my interest for entrepreneurship. I am currently looking for a **4 months Project Management** internship starting in July 2018.
